Dear Ms. Bourque,

I acknowledge receipt of your correspondence of April 24, in which you congratulate me for my election to Canada's 39th Parliament. Attached to that correspondence was also a magnifying glass that you asked me to use to examine three crucial issues for the shareholders of the Crown Corporation, i.e. the public and the communities of this country.

I appreciate that you took the time to bring those issues to my attention. I took the liberty of forwarding a copy of your correspondence to the Honourable Lawrence Cannon, Minister of Transport, Infrastructure and Communities, and Minister responsible for Canada Post, so that he can take notice of your requests.

Sincerely,

Josée Verner
