

V O T E
SISTER MICKI MCCUNE
FOR
CANADA POST PENSION PLAN
ADVISORY COUNCIL

The CUPW National Executive Board is asking you to vote for Sister Micki McCune to be the representative to the Canada Post Pension Plan Advisory Council for all Active Members.

We have a defined benefit plan. This is the most safe and secure pension plan type. Currently, Governments and Employers are attacking defined benefit pension plans.

We need a representative on the Canada Post Pension Plan Advisory Council who will work to protect and improve our plan. Sister McCune has the understanding and tenacity to protect and defend our plan.

Sister McCune has already served two terms as the representative for all Active Members. During this time, she has raised questions and concerns related to our plan.

We need someone with the experience and commitment to be the representative for all Active members. Sister Micki McCune is that person.

In solidarity,

George Kuehnbaum,
National Secretary-Treasurer.
