A Note About Our Logos

There are three logo designs to choose from. The bilingual CUPW 'classic' logo is the globe logo that has appeared on CUPW publications and clothing for over 40 years. The CUPW 'new look' logo is available in an English version (CUPW•STTP) and French version (STTP•CUPW) and is now the main logo for the union.

In general, the classic logo looks best when silk-screened. When used for embroidered items, the classic logo has a tendency to pucker, especially in the smaller sizes. The new look logo works well with both embroidered and silk-screened items.

Disclaimer: The photos and images of clothing and accessories are for illustrative purposes only. Actual colours and appearance may vary. CUPW, Cavan Advertising and their suppliers reserve the right to discontinue catalogue items without notice.
